# Creative Mobility Division (CMD)

TiLite understands that everyone has different postural and mobility needs, and while our order forms meet the needs of most users, sometimes you need individual solutions.

Through CMD, customers are able to work with our team of engineers, customer experience, and production to come up with creative solutions to their unique needs.

Scan to view full CMD catalogue

CMD 08 - custom front frame width for more room for leg propulsion and ease of use

Shorter frame height for easier access to the ground for better propulsion

CMD 40 - Custom flip-up footplates on rigid frames

## TiFit for foot-propelling customers

CMD 40 and CMD 08 allow users who foot-propel to have an optimally configured, rigid, ultra-lightweight manual wheelchair for the best possible functional outcome. Pair this setup with a SmartDrive to easily and independently navigate your environment!
