

Datasheet Axtel Prime X3 duo SE

TECHNICAL DATA

Weight (headset)	93 g (duo)
Weight (base)	191 g
Microphone arm rotation angle	295°
Temperature resistance	min - 20° C max + 70° C
Battery life	10 h

CONNECTIVITY

USB connector for communication with a computer	Yes
Communication between the headset and the base	DECT
DECT communication range	400 m
Connection with mobile devices	Bluetooth®
Bluetooth® version	4.1
Bluetooth® range	10 m

WORKING TIME

Charging time:	from 0% to 100%	up to 3 hours
Standby time	from 100% to 0%	up to 23 hours
Listening time	from 100% to 0%	up to 16 hours
Call time	from 100% to 0%	up to 10 hours

SOUND PARAMETERS

Sound quality	Wideband
Frequency response (speaker)	50 - 7,000 Hz
Speaker impedance	150 Ω +/- 2%
Microphone impedance	2200 Ω
Hearing protection	85/87/105 dB(A)
Microphone type	Electret with ambient noise suppression
Passive ambient noise suppression	Yes
Microphone mute function	Yes
Volume control in the headset	Yes
DSP	Yes
Total Harmonic Distortion (THD)	<1%
Automatic Gain Control	Yes
